

The Annual 3-Day Autumn Color Tour for September 22 to 24 is Approaching!

Our joint club ***Autumn Color Tour*** is just a few weeks away! Make your plans ***NOW*** to join us for 3 days of cruising the Wisconsin countryside, shopping, eating out and enjoying the company of enthusiastic LBC lovers!

On Friday, September 22, club members will meet at 11:30 AM for lunch at the ***Crawfish Junction*** restaurant near the Crawfish River in Milford, Wisconsin. For our members traveling from the Milwaukee area, we will gather at 10:30 AM at the Kwik Trip #687 located on the in Wales to caravan to ***Crawfish Junction***.

From Milford, we will travel to Princeton, Wisconsin for a few hours of shopping the eclectic boutiques, Amish shops and unique antique stores. From Princeton, we will travel to Green Lake for dinner at ***Norton's Supper Club***. Norton's serves prime rib, lobster, salmon and other fine dishes and has a breathtaking view of Green Lake.

Our accommodations for the weekend are at ***Bayview Motel and Marina***. Like our beloved vintage autos, ***Bayview Motel*** is a well maintained, retro motel right on Green Lake and walking distance from downtown Green Lake. We have a block of 10 rooms available at a special rate of \$130/night. Please contact Darrin at (920) 294-6504 and let him know that you will be joining the Austin-Healey Club Group for September 22 and 23. Our block and rate is good until September 8, so please do not delay in making reservations as space at the ***Bayview Motel*** is limited!

Saturday morning breakfast is on your own, but highly recommended is breakfast at ***Goose Blind Grill & Bar***, a popular spot that serves omelets, pancakes, waffles and more. Or try the ***Pancake Breakfast*** put on by American Legion Post 306. After breakfast, we will have a driving tour of the scenic roads in the Green Lake area.

By noon, we will be back in Green Lake to partake in the ***Golden Days Harvest Festival*** activities including craft fair, farmers market and entertainment. Lunch is on your own so you can either sample the many vendors at the Festival or visit one of the downtown Green Lake restaurants. The Chamber of Commerce is still working up the final 2023 Festival Schedule but be sure to check out the ***Hospital Bed Street Races*** starting at 1:00 PM!

Dinner is scheduled for 6:00 PM at ***Chop's Seafood and Steakhouse*** in Green Lake featuring modern contemporary cuisine. For those seeking relaxation from the busy day, try the ***Evensong Spa***, a tranquil spa that offers massages, facials, body treatments and more. You can also enjoy their steam room, whirlpool and meditation labyrinth.

Sunday is *typically* our farewell morning and folks start for home. Fortunately for us, the **Golden Days Harvest Festival** features a **Car Show** on Sunday from 10:00 until 3:00! For our guests that want to participate in the Car Show, we will have a special section of the show area reserved for our LBCs. Registration is \$10.00 payable the morning of the show at the Fair Grounds.

For those wanting a break from the car world, consider exploring the shores of Green Lake. Darrin at **Bayview Motel and Marina** is offering our members a reduced rate for a pontoon boat rental that holds 10 – 12 passengers! We can share the boat rental cost if there are enough interested boaters!

Finally, for those that have not yet had enough LBC touring – take a pleasant drive to the nearby town of **Dalton and explore the Amish Community** that lives there. You can visit their shops and businesses that specialize in woodworking, baking, cheese making and greenhouses. You can also buy some of their handmade products and fresh produce. It is a good thing that Shirley and Tom have a trailer for their TR6 – they may need it on this trip!

All in all, there is something for almost everyone on this year's **Autum Color Tour!**
